IT'S EASY TO FIND WORK

-but the worker who desires to find the best opportunity to serve and to earn will advertise. Classified advertising does not cost much. It is not "out of reach" to anybody. And it may be relied upon to find for you the work which you can do best, and through which you can earn most. A small investment which has in it such possibilities is not to be overlooked.

For Your Convenience

The Herald will accept your ad. over the phone if you have a telephone in your name.
